INDEX

VOL. 49, 1956

Note.—In this volume two series of numbers are used for pagination, one being the sectional page number and the other the volume page number. The latter only is used in the Index.

- abdominal pain**, recurrent ("Any questions") (*By title*), 635
- Abel**, A. Lawrence, and **Cooling**, C. I., the radiological diagnosis of gastro-jejuno-colic fistula, 475
- Abercrombie**, G. F., the management of asphyxia in the newborn (*Disc.*), 605
- abortion**, self-induced, complicated by gangrene of uterus and anuria (J. P. Roux), 90
complicated by gangrene of uterus and fallopian tube (J. S. MacVine), 92
- acetazolamide**, diuretic action of (T. Hanley), 624
- acne vulgaris**, care and treatment (Sir Walter Hannay), 917
- acrodermatitis enteropathica** (P. J. Hare and B. E. Schlesinger), 231.
- acrylic resin filling materials** (*Symposium*), 375
biological assessment (I. R. H. Kramer), 376
clinical evaluation (H. M. Pickard), 378
composition and activation (G. A. Morrants), 375
- ACTH**, action on anterior pituitary (K. R. Thornton), 1016
- Adams**, A. Wilfrid, "essential" hæmaturia (*Disc.*), 700
urinary infections (*Disc.*) (*By title*), 1050
- adenitis**, tuberculous cervical (*Discussion*), 969
- adenoma**, basophil, in pituitary gland (H. D. Purves), 1014
parathyroid, in case of lifelong steatorrhœa (C. E. Dent), 1013
- adrenal response to stress before and during operation** (R. W. Virtue and M. L. Helmrich), 492
- affections of the temporomandibular joint** (*Discussion*), 983
- age**, old, psychiatric aspect (*Discussion*), 237
- Agerholm-Christensen**, J., and **Gleave**, J. R. W., drilling of the osteoarthritic hip, 964
- aggression**, understanding and treatment of (M. S. Folkard), 1030
- ailments**, minor, importance in general practice (Bertha Turner), 918
- Albert**, A., synergy in chemotherapy (*Disc.*), 881
- aldosterone** in urine and blood (O. Garrod, S. A. Simpson and J. F. Tait), 885
secretion, factors affecting (O. Garrod, S. A. Simpson and J. F. Tait), 888
- aldosteronism** and malignant hypertension (C. Holten and V. P. Petersen), 890
primary (M. D. Milne and R. C. Muehrcke), 883
- allergic encephalitis** (*Discussion*), 148
lesions, experimental, in animals (G. Payling Wright), 292
- Allinson**, S. W., cancer research: its present trends (*Disc.*), 666
the changing aspect of nasal disease (*Disc.*) (*By title*), 666
unusual aspects of œsophageal disease (*Disc.*), 544
- Allison**, J. H. (for F. Ray Bettley), acquired epidermolysis bullosa (*By title*), 425
- Allison**, P. R., unusual aspects of œsophageal disease (*Disc.*), 537, 544
- Allison**, R. S., the clinical consequences of cerebral anoxia (*Disc.*), 609
- alopecia** due to hypothyroidism (Louis Forman), 1064
- alveolar mucous membranes**, granuloma (L. Forman and W. G. Cross), 816
- amelogenesis imperfecta** (A. I. Darling), 759
- amyloidosis cutis** (A. J. Rook and D. Stevanovic), 821
- anæmia** in rheumatoid arthritis (*Discussion*), 27
- anæsthesia**, dental, buthalitone sodium, nitrous oxide and oxygen in (D. S. Young), 735
hypnosis in (A. A. Mason), 481
in pædiatrics (M. Digby Leigh), 157
posture during (R. Jarman), 486
steroid, preliminary report (R. P. Harbord and W. N. Wild), 487
- anæsthetic circuits**, carbon dioxide accumulations in (*Discussion*), 215
- anal fissure** in children (John Apley), 956
- anaphylactic reactions of mesenteric blood vessels of rabbit** (J. Hugues and J. Lecomte), 573
- anastomosis**, ileo-rectal (S. O. Aylett), 952
- Anderson**, E. W., an experimental approach to the problem of simulation in mental disorder (*Disc.*): (1), introduction, 513
- Anderson**, K. F., urinary infections (*Disc.*): recent advances in the chemotherapy of urinary infections, 1050

- aneurysm**, abdominal, ligation of celiac axis and mesenteric artery during resection for (K. Owen), 732
- aortic**, leaking into bronchial tree, associated with coarctation of aorta (W. R. Probert), 729
- angioma**, brain-stem (C. J. Earl), 306
- compressing thorax (C. A. Neill), 600
- animals**, experimental allergic lesions in (G. Payling Wright), 292
- learning in (*Discussion*), 1021
- resuscitation from cold (Audrey U. Smith), 357
- ankle**, rupture of lateral ligament, with interposition in subtalar joint (M. J. Cox), 395
- ano-rectal** region, carcinoma arising from intramuscular and apocrine glands (Henry R. Thompson), 469
- anoxia**, cerebral, clinical consequences (*Discussion*), 609
- neuropathological aspects (A. Meyer), 619
- antagonists**, barbiturate (S. Lockett), 585
- morphine (Andrew Wilson), 583
- antibodies**, development after skin homograft (P. Clarkson and P. Gorer), 117
- anus**, fissure of, in children (John Apley), 956
- "Any Questions" (*By title*), 635
- aorta**, coarctation, associated with aneurysm leaking into bronchial tree (W. R. Probert), 729
- with aortic valve disease (D. Weitzman), 309
- aphasia**, pattern of (M. Critchley), 335
- Apley**, John, anal fissure in paediatric practice, 956
- application** of hypothermia to surgical procedures (*Discussion*), 345
- Ardran**, G. M., Hamill, J., and Simmons, C. A., normal micturition and stress incontinence (*Disc.*): further observations on the female urethra and bladder, 647
- arterial** disease, clinical and radiological aspects (*Discussion*), 557
- substitute, polyvinyl alcohol sponge as (K. Owen), 340.
- surgery, orlon prostheses in (G. W. Taylor), 339
- arthritis**, rheumatoid, anaemia in (*Discussion*), 27
- Arthure**, H. G. E., the place of myomectomy in the treatment of primary infertility (*Disc.*), 258
- Asher**, Richard, malignant hypertension from unilateral tuberculous kidney treated by nephrectomy, see Read, A. E.
- Asherson**, N., pharyngeal paralysis (*Disc.*) (*By title*), 84
- Ashton**, Norman H., the preliminary results of the treatment of uveitis with daraprim (*Disc.*), 26
- Ashworth**, H. K., hypnosis for the relief of pain (*Disc.*), 485
- asphyxia** neonatorum, management (*Discussion*), 603
- asthma**, management ("Any questions") (*By title*), 635
- atrial septal defect**, diagnosis (T. D. Gimlette and G. de J. Lee), 634
- Attenborough**, C. G., osteochondritis of the medial sesamoid of the great toe, 809
- Aylett**, Stanley O., ileostomy (*Disc.*): the avoidance of an ileostomy by ileo-rectal anastomosis, 952
- back**, painful, lumbo-sacral fusion for (Eric Shaw), 401
- Bacon**, A. P. C., anomalous pulmonary venous drainage, 633
- bacterial** infections, drug combinations in treatment of (R. Knox), 879
- Badenoch**, Alec W., urethral injuries (*Disc.*): the later complications of urethral injuries, 690, 696
- urology in children (*Disc.*), 899
- Ballard**, C., affections of the temporomandibular joint (*Disc.*), 994
- Bamforth**, J., the value of vaginal cytology in the diagnosis of carcinoma (*Disc.*): malignant disease of the uterus, 245
- Band**, David, "essential" hæmaturia (*Disc.*), 700
- the management of genito-urinary tuberculosis in the special hospital (*Pres. address*), 1
- urinary infections (*Disc.*) (*By title*), 1050
- Barber**, G. O., "Any questions" (*By title*), 635
- Barber**, Mary, spread of *Staph. pyogenes* in maternity departments, 633
- staphylococcal infection (*Disc.*): staphylococcal infection in hospital, 266
- barbiturate** antagonists (S. Lockett), 585
- Barlow**, Wilfred, postural re-education—a critical examination of methods (*Disc.*): postural deformity, 670
- Baron**, D. N., surgical aspects of disordered calcium metabolism (*Disc.*): treatment of acute hypercalcaemia with a chelating agent, 728
- Barrett**, N. R., unusual aspects of oesophageal disease (*Disc.*): perforations of the oesophagus and of the pharynx, 529, 544
- basophil** adenomata in pituitary gland (H. D. Purves), 1014
- cells of pituitary gland, functional activities (*Discussion*), 1014
- Bateman**, G. H., the present position of the laryngofissure operation (*Disc.*) (*By title*), 666
- secretory otitis media (*By title*), 666
- Bauwens**, P., the clinical and electromyographic aspects of polymyositis (*Disc.*): variations of the motor unit, 110
- BCG** inoculation and tuberculosis in Gurka troops (T. M. Robinson), 324
- scheme in the army, and Heaf tuberculin test (R. L. Townsend), 322
- vaccination, use of ("Any questions") (*By title*), 635
- Bedford**, D. Evan, two cases of Fallot's tetralogy, shown at the Section in 1929, exhibiting unusual longevity, 314
- Bedford**, P. D., the clinical consequences of cerebral anoxia (*Disc.*), 614
- bed-wetting**, see enuresis
- Behcet's** syndrome and thrombosis of vena cava (R. C. MacKeith and L. Forman), 1063

- Belcher, E. H. (with L. F. Lamerton and E. B. Harriss), clinical and experimental studies with radioactive iron (*Disc.*): radioactive iron studies in normal and irradiated rats, 863
- Bell, A. Doyné, hepatomegaly—probable glycogen storage disease, see Meade, B. W., and Parkinson, T. J.
- Bell, W. Frain-, see Frain-Bell, W.
- Bensted, J. P. M., growth of normal and neoplastic mammalian cells on the chick chorion, 59
- Bettley, F. Ray, acquired epidermolysis bullosa (*By title*), see Allison, J. H.
- Beverly, J. K. A., synergy in chemotherapy (*Disc.*), 882
- Bickerstaff, E. R., clinical and pathological manifestations of cysticercosis in the posterior fossa (*By title*), 798
- Bingold, A. C., giant cell tumour of bone and related conditions (*Disc.*), 421
- paralytic flat foot treated by triple tendon transplantation, 181
- birthmarks, surgical problems of treatment (L. M. Rouillard), 976
- Bishop, P. M. F. (with M. H. Lessof), Cushing's syndrome, relapsing twice after surgery, 828
- Black, B. (for A. P. Dick), hepar lobatum (*By title*), 935
- Black, D. A. K., diuresis and diuretics (*Disc.*), 623
- Blacklock, J. W. S., giant cell tumour of bone and related conditions (*Disc.*), 422
- Blackwood, W., the neurological complications of the acute specific fevers (*Disc.*), 146
- bladder control in the female (T. N. A. Jeffcoate and H. Roberts), 652
- female, further observations on (G. M. Ardran, J. Hamill and C. A. Simmons), 647
- neurogenic, congenital (D. Innes Williams), 896
- cine radiography (David Edwards), 898
- Blakley, J. B., the management of asphyxia in the newborn (*Disc.*): management of asphyxia neonatorum, 603
- Blanshard, Gerald (for David Ferriman), pretibial myxoedema with severe exophthalmos, 829
- Blashki, E. P., the changing aspect of nasal disease (*Disc.*) (*By title*), 666
- secretory otitis media (*Disc.*) (*By title*), 666
- bleeding, cerebral, treatment (M. A. Falconer), 166
- rectal, as symptom in diverticulitis (A. J. Rushford), 577
- blindness due to Schilder's disease (M. Yealland), 334
- blood, aldosterone in (O. Garrod, S. A. Simpson and J. F. Tait), 885
- coagulation disorders, diagnosis (R. M. Hardisty), 190
- experiments (Peter Wolf), 192
- laboratory aspects (*Symposium*), 185
- maternal, defects associated with foetal death (B. O. Howie), 93
- corpuscles, red, hypothetical role in defence against bacteria and viruses (Robert A. Nelson, jr.), 55
- blood pressure, neo-natal, measurement (W. W. Holland and I. M. Young), 632
- Bloom, Arnold, and Crowley, M. F., xanthoma diabetorum and lipæmia retinalis, 830
- Blount, W. P., the use of oestrogens in chickens and turkeys (*By title*), 827
- blue nevus (W. G. Tillman), 425
- Blunt, Michael J., implications of the vascular anatomy of the optic nerve and chiasma, 433, 444
- Bogaert, L. van, see Van Bogaert, L.
- Bomford, W. B. N. (for E. C. B. Butler), fibrosarcoma of rectum, 474
- bone tumours, giant cell (*Discussion*), 409
- clinical impressions (A. L. Eyre-Brook), 409
- pathology (A. D. Thomson), 414
- variants (H. A. Sissons), 416
- Bonnell, J. A. (for Brian F. Russell), skin reactions at the site of green and red tattoo marks, 823
- books received, 18, 156, 160, 214, 298, 344, 380, 430, 478, 500, 636, 734, 766, 936, 968, 1026, 1044

- Borrie, P. F., acquired epidermolysis bullosa (*By title*), 236
- pre-mycotic eruption (*By title*), 425
- Bourne, J. G., buthalitone sodium, nitrous oxide and oxygen in a series of one hundred dental cases (*Disc.*), 736
- Bowen-Davies, A., unusual aspects of oesophageal disease (*Disc.*), 544
- Boyd, J. D., observations on the circulatory mechanism in the human placenta (*By title*), 982
- Boydland, E., synergy in chemotherapy (*Disc.*): synergism in cancer therapy, 877

- Bracken, A.**, carbon dioxide accumulations in anaesthetic circuits (*Disc.*), 215
infra-red analyser for rapidly changing respiratory carbon dioxide concentrations (*By title*), 355
- Brain, Sir W. Russell**, anatomical and physiological factors in treatment, 164
cervical spondylosis (*Disc.*), 197
brain, anoxia, clinical consequences (*Disc.*), 609
neuropathological aspects (A. Meyer), 619
circulatory disorders, anatomical and physiological factors in treatment (Sir W. Russell Brain), 164
haemorrhage, treatment (M. A. Falconer), 166
tumours, intra-diploic (G. F. Swann) 303
sarcomatous and gliomatous tissue contiguous in (L. J. Rubinstein), 62
brain-stem angioma (C. J. Earl), 306
- Braithwaite, J. Vernon**, some problems connected with enuresis (*Pres. address*), 33
- bread and tears**—wheat sensitivity and its effects (Guy Daynes), 391
- Brewerton, D. A.**, an evaluation of the methods of increasing muscle strength (*Disc.*), 1006
- Brightman, F. C. V.**, clinical photographs (*Demonst.*) (*By title*), 634
- Brinton, Denis, H.**, brain-stem angioma, see Earl, C. J.
- Brock, Sir Russell**, the application of hypothermia to surgical procedure (*Disc.*): hypothermia and open cardiectomy, 347
- bronchial tree**, aneurysm leaking into and associated with coarctation of aorta (W. R. Probert), 729
- bronchitis**, bacteriology (J. Mulder), 773
chronic (*Symposium*), 767
epidemiology (D. D. Reid), 767
field studies (C. H. Stuart-Harris), 776
pathology (L. Reid), 771
statistics (H. Joules), 779
- Brook, A. L. Eyre**, see Eyre-Brook, A. L.
- Brooke, Bryan N.**, ileostomy (*Disc.*), 949
- Brown, David Byron**, co-existing hydatidiform mole and living child, 937
- Brown, J. J. Mason**, urology in children (*Disc.*): lesions of the anterior urethra in infancy and childhood, 891, 900
- Brown, K. Paterson**, carcinoma of the thyroid (*By title*), 733.
- Browne, Denis J.**, congenital postural scoliosis, 395
tuberculous cervical adenitis (*Disc.*), 972
- Bruce, John**, the application of hypothermia to surgical procedures (*Disc.*), 354
changing concepts in contemporary surgery (*Pres. address*), 711
- burns**, development of antibodies following skin homografts (P. Clarkson and P. Gorer), 117
- Burrows, Norman F. Elliott**, the management of asphyxia in the newborn (*Disc.*), 608
- Busscher, J. de, Haene, A. de, and Hoffmann, G.**, meningiomas of the lateral recess (*By title*), 798
- buthalione sodium** in dental anaesthesia (D. S. Young), 735
- Butler, E. C. B.**, fibrosarcoma of rectum, see Bomford, W. B. N.
- Butler, R. Weeden**, giant cell tumour of bone and related conditions (*Disc.*), 421
- Butt, R. P.** (for S. B. Dimson), Wolff-Parkinson-White syndrome, 941
- Buttle, G. A. H.**, synergy in chemotherapy (*Disc.*): synergy in chemotherapy, 873
- Bywaters, E. G. L.**, hypersensitivity and the collagen diseases (*Disc.*): what is the evidence of hypersensitivity in the pathogenesis of the so-called collagen diseases? 287
- caecum**, diverticulitis simulating carcinoma of (H. J. Harris), 474
- Caine, Marco**, urinary infections (*Disc.*) (*By title*), 1050
- calcium metabolism**, disordered, surgical aspects (*Discussion*), 715
- calculus**, renal, staghorn (R. Helsby), 709
- Calnan, C. D.** (*Disc.*), 429
acanthosis nigricans juvenilis (*By title*), 826
lymphocytic infiltration of the skin, 133
(for G. B. Dowling), eczema of the hands with lymphedema (*By title*), 236
(with M. Feiwel), scleroderma, 236
- Campbell, E. J. M.**, carbon dioxide accumulations in anaesthetic circuits (*Disc.*), 229
- cancer of larynx** (W. A. Mill), 73
research: its present trends (*Discussion*), 661
therapy, synergy in (E. Boyland), 877
- Cann, R. J.**, secretory otitis media (*Disc.*) (*By title*), 666
- Capener, Norman**, giant cell tumour of bone and related conditions (*Disc.*), 422
- capillary permeability**, serum globulins as mediators of change (D. L. Wilhelm), 575
- Capper, W. M.**, the diagnosis and investigation of chronic diarrhoea (excluding tropical diarrhoeas) (*Disc.*), 629
the surgical management of uncomplicated duodenal ulcer (*Disc.*), 503
- Capps, F. C. W.**, the changing aspect of nasal disease (*Disc.*) (*By title*), 666
the present position of the laryngofissure operation (*Disc.*) (*By title*), 666
secretory otitis media (*Disc.*) (*By title*), 666
and Cunningham, George, four cases of identical tumour associated with the infra-orbital nerve (*By title*), 666
- carbon dioxide accumulations** in anaesthetic circuits (*Discussion*), 215
- carcinogenesis** (A. Haddow), 661
co-carcinogenesis (G. Hadfield), 662
- carcinoma**, cervical, squamous cell, in pregnancy (R. G. H. Hall), 937
diagnostic value of vaginal cytology (*Discussion*), 245
gastric, X-ray manifestations (G. A. S. Lloyd), 274
of cardia, diagnostic difficulties (C. Don and J. L. Murphy), 278
of thyroid (*Discussion*), 173
scirrhous, metastases simulating necrobiosis lipoidica (R. G. Howell), 133

- Card, W. I.**, partial gastrectomy in relation to acid secretion and parietal cell mass (*By title*), 733
the surgical management of uncomplicated duodenal ulcer (*Disc.*): studies of gastric secretion in duodenal ulcer, 509
- cardia**, cancer in region of, diagnostic difficulties (C. Don and J. L. Murphy), 278
- cardiac** effect of hypotensive drugs (B. A. Cookson), 364
surgery, hypothermia in (D. N. Ross), 365
- cardiotomy**, hypothermia in (Sir Russell Brock), 347
- Cardno, J. A.**, and Meara, R. H., hydrargyria, 423
- Carmichael, E. A.**, blindness, ? due to Schilder's disease, see Yealland, M.
mutism: for diagnosis, see Earl, C. J.
- carpal** scaphoid, non-united fractures (J. H. S. Scott), 961
- Carter, Kenneth**, therapeutic research: view of a general practitioner, a university professor and a pharmaceutical company doctor (*Disc.*): the point of view of a doctor in a pharmaceutical company, 929
- Carter, R. E. Bonham**, unusual aspects of oesophageal disease (*Disc.*): on the aetiology of oesophageal hiatus hernia, 543
- Catterall, R. C. F.**, myositis ossificans progressiva, see Powell, H. D. W.
- Cawthorne, Terence**, chronic adhesive otitis media (*Disc.*) (*By title*), 468
conservative surgery in the management of Ménière's disease (*Disc.*) (*By title*), 468
pharyngeal paralysis (*Disc.*) (*By title*), 84
- cerebral** anoxia, clinical consequences (*Discussion*), 609
neuropathological aspects (A. Meyer), 619
circulatory disorders, anatomical and physiological factors in treatment (Sir W. Russell Brain), 164
haemorrhage, treatment (M. A. Falconer), 166
